Get Ready To Make Waves At A Wonderful Rug Hooking Adventure!

Challenge Mat

Our theme “Ocean’s Away” offers lots of potential for rug hooking. We challenge you to anchor your imagination and set your direction towards completing a mat that fits with your interpretation of our theme. Participants enter their mat without revealing the owner. Entries are numbered, and selection is made by secret ballot.

You might want to think about the various kinds of boating vessels on the ocean and what might be on them: sails, anchor, compass, life preserver; think about life below the ocean: starfish, whales, seahorse, jellyfish; what about cruises and mermaids? So many options!
